

# WE NEED **YOUR** HELP!

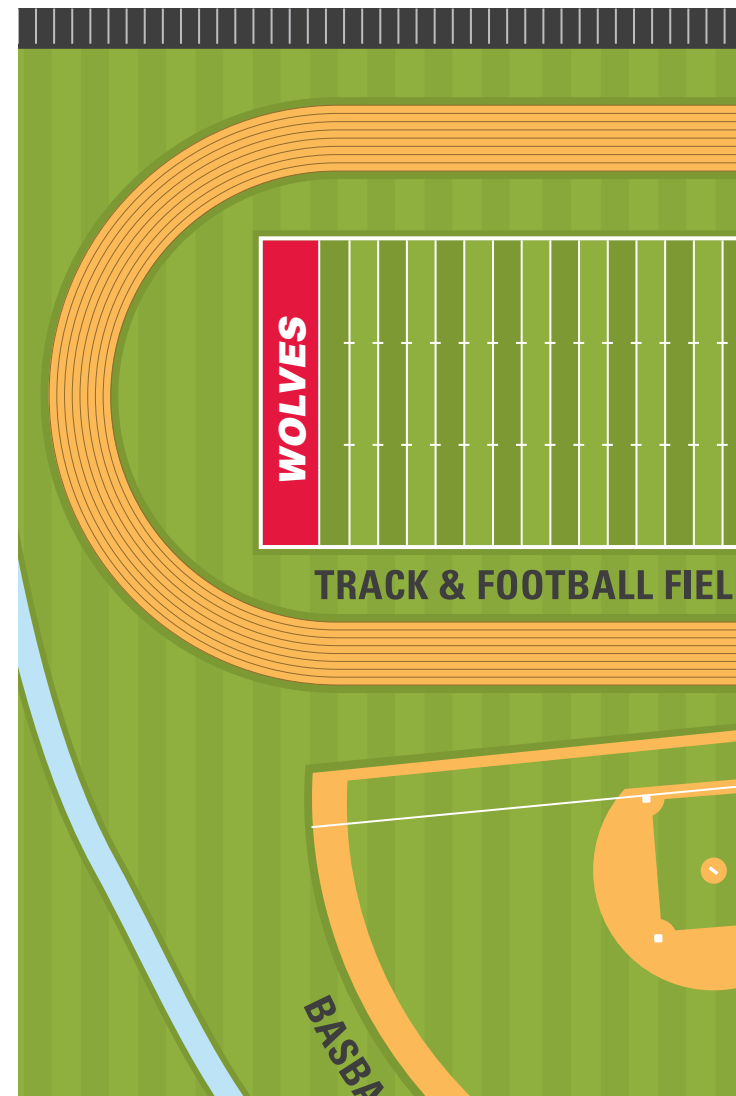

WMU is in the process of renovating its outdoor facilities. Anyone who has attended a Wolves football game in the last few years can recall the field going “dark” at unexpected times. Our facilities have served us well for over forty years, but it is **time to upgrade our facilities** for the future of our students and community.

# WMU FACILITIES ENHANCEMENT

## PHASE I: BASEBALL DIAMOND

This phase of the project has been completed. The Wolves Baseball team stepped on a new "state of the art" ball diamond in June of 2007 and WMU was the site for district and substate baseball in July. This spring our community will construct a new playground in memory of Theresa Woline, former WMU teacher.

## PHASE II: FOOTBALL FIELD & TRACK

It is now time to focus our efforts towards Phase II of the project which involves updating the football field surrounded by a new track.

## PHASE III: SOFTBALL DIAMOND

After completing our football/track renovations; we plan on pursuing moving our softball diamond onto our athletic complex site.

## OUR GOAL: RAISE \$1,000,000

Our goal is to have all our outdoor athletic venues on one site allowing for efficiency in operations. During previous meetings, community members expressed a need for a track not only for the school but for the many joggers and walkers. Health and fitness are very important to our livelihood and a track would offer a healthy option for all. Our goal is to raise \$1,000,000 from donations, fund-raising, grants or other means.

Please e-mail us at [WMUFacilities@yahoo.com](mailto:WMUFacilities@yahoo.com) if you have any questions, or visit our Web site for more information: [www.WMUFacilities.com](http://www.WMUFacilities.com).
